Notice Regarding Revision of Year-end Dividend Forecast (No Dividend) for the Fiscal Year Ending December 31, 2025

TRYT, Inc. (the "**Company**") hereby announces that it resolved at the meeting of its board of directors held today to revise its dividend forecast for the fiscal year ending December 31, 2025, and not to pay a year-end dividend for that fiscal year on the condition that the tender offer (the "**Tender Offer**") for the common shares of the Company (the "**Company Shares**") by TCG2505 Co., Ltd. (the "**Offeror**") described in the "Announcement of Opinion in Support of the Tender Offer for the Company Shares by TCG2505 Co., Ltd. and Recommendation to Tender" (the "**Company's Press Release**") released today is successfully completed.

1. Reasons for revision

The Company resolved at the meeting of its board of directors held today to express an opinion in support of the Tender Offer and recommend that its shareholders tender their shares in the Tender Offer.

The above resolution of the board of directors was made on the assumption that the Offeror intends to make the Company a wholly-owned subsidiary of the Offeror through the Tender Offer and the series of subsequent procedures and that the Company Shares will be delisted accordingly. For details, please refer to the Company's Press Release.

From the beginning of the fiscal year ending December 31, 2024, the Company's basic policy has been to strive to provide a proactive and continuous return of profits to shareholders. According to the Offeror, the tender offer price in the Tender Offer was determined and decided after comprehensively considering multiple factors on the assumption that the Company will not pay a year-end dividend with the record date of December 31, 2025. Therefore, the Company resolved to revise its dividend forecast for the fiscal year ending December 31, 2025 and not to pay a year-end dividend for that fiscal year on the condition that the Tender Offer is successfully completed.
